Family Bible Time

After your child finishes the Bible puzzle above, cut it out and hang it on the refrigerator to remind your whole family that we can trust God to care for us. Your child may enjoy adding cotton balls to make the sheep woolly.

During a family devotional time this week, take down the picture and ask how David cared for his sheep. Then ask how we can trust God to care for us. You might end this time by reading Psalm 23 from a translation that is easy for everyone to understand.
